

2021 Sencilla

MORE THAN A WINE, IT'S A FEELING

COMPOSITION:

100% Chardonnay

AGING:

1.5 Years en Tirage

APPELLATION:

Carneros

ALCOHOL:

12.5%

TA:

9.0g/L

PH:

3.03

TASTING NOTES:

The 2021 Sencilla is expertly crafted from our Carneros Estate to showcase the power and finesse of Chardonnay without any added sugar. Intentionally disgorged 0g/L of dosage, the nose highlights honeysuckle, jasmine, grapefruit and is rounded out by a burst of savory ginger. Soft and plush on the palate with focused acidity, this wine showcases honey covered green apple that gives way to ripe pear and peach. With no sugar, the finish is clean, focused and elegant.

VINTAGE NOTES:

2021 was one of the driest years on record. This led to extremely low yields and small berries. The lack of heatwaves in the summer of 2021 gave us refreshingly lively sparkling wines with wonderful acidity.

WINEMAKING PROCESS:

Grapes are handpicked & transported to the winery where they are gently whole-cluster pressed. Only the first press is used for this wine that is fermented in stainless steel tanks at 55-60°F.

With a heartfelt nod to the Spanish word for “simple,” our Sencilla embodies our constant pursuit of discovering captivating expressions within our estate grown sparkling wine. Crafted deliberately with zero dosage, this wine stands as an extraordinary example of a dry profile, showcasing a shimmering acidity that naturally entices the senses.
